My name is john smith but you can call me the doctor. The doctor was wearing a brown jacket that went down to his feet,

brown long pants, and a purple shirt under his jacket. He had a friend that looked alot like him except he had a black jacket.

Let the match begin the referee also known as brock called. Pikachu lets go. Ash called. Alright then come on out Lucario. The Doctor called. Just before the battle they heard a twig snap. Everyone turned around and Ash and brock were surprised to see who it was. Hey Ash. He said. Pika his partner called running over to Ash's Pikachu. Hey Sparky. Brock said. Hey Ritchie what are you doing here? Ash asked. I was going to Lilycove city when I heard you so I thought it would be great to see you. Ritchie said. Hey we're going there too. Ash said. I also battled him there but I lost because charizard chose to take a nap we also met in Johto. Are we ready to battle yet? The Doctor said. Oh I completely forgot about the battle. Ok let the match begin. Brock said. Ok Pikachu iron tail. Ash called. Bone rush Lucario. The Doctor called as lucario closed his hands and put them right by each other then

pulled them apart from each other as a blue light illuminated between his hands in the shape of a large bone and pikachu ran towards lucario as his thunderbolt shaped tail turned from yellow to white and turned as hard as steel when both attacks collided an explosion occurred and both pokemon were sent flying hitting the ground hard and both pokemon were unable to battle.
