To Whom It May Concern,

I have been retained by Emily Martinez to handle the estate of Stefan Weeks. My understanding is that they had a life insurance policy (#740540626) with your company. If this is correct, please send a letter to my office indicating you have received our letter of representation. Additionally, please do not contact our client going forward.

We are requesting that you forward the full policy amount of \$60,000. Please forward an acknowledgement of our demand and please forward the umbrella policy information if one is applicable. Please send my secretary any information regarding liens on his policy.

Please contact my office if you have any questions.
